MEMORANDUM FOR: [REDACTED] Contracting
Officer

SUBJECT : Delegation of Contracting Authority

25X1

REFERENCE : Delegation of Contracting Authority
to [REDACTED] from the
Director of Logistics

1. Pursuant to the authority contained in the reference, contracting authority is hereby redelegated to you as Contracting Officer, effective 27 February 1969, for OEL, OSI, FMSAC and OCS. Subject to such limitations as may be established by the undersigned contracting officer or by higher authority, you are authorized to negotiate, execute, administer and settle Directorate contracts for:

- a. Research, development and engineering services.
- b. Prototype or first follow-on production units of equipment previously developed, when it can be reasonably demonstrated that adequate specifications or manufacturing drawings are not available to permit competitive procurement from other than the contractor who developed the equipment.

2. Except for administrative contracting authority, the authority contained in this delegation may not be redelegated. Administrative contracting authority may be redelegated to those procurement officers approved by the undersigned; provided, however, such administrative contracting authority shall not include the authority to execute changes or amendments to contracts involving increase or decrease in funds or increase or decrease in the scope of the work of the contract.

SUBJECT: Delegation of Contracting Authority

3. As a condition precedent to the exercise of the above contracting officer authority, review by the CIA Contract Review Board and approval by the Director of Logistics shall be obtained for the following proposed contract actions except that the Board may from time to time exempt specific contracts or classes of contracts from such review:

a. All proposed contracts and amendments individually exceeding [] in value.

25X1

b. Overrun amendments exceeding [] and also exceeding [] percent of the original estimated cost of the contract.

25X1

25X1

4. Referrals to the Contract Review Board. You may submit proposed contracts or amendments to the Contract Review Board regardless of amount when in your judgment the action involves or might involve controversial or policy matters of such significance that prior Board review would serve the best interests of the Agency.

5. Referral to Procurement Division. The Chief, Procurement Division, Office of Logistics, shall be responsible for presenting to the Contract Review Board those DD/S&T procurement requests forwarded to Procurement Division for action. In such cases you may act as precontract procurement advisor to the DD/S&T technical officer, when so requested by that office. You may also serve in a liaison capacity to the Chief, Procurement Division, Office of Logistics.

25X1

DD/S&T-811/69

SUBJECT: Delegation of Contracting Authority

- a. Promptly provide Procurement Division, Office of Logistics, memorandum advice of such referral.
- b. Retain responsibility for necessary liaison
- c. Retain responsibility for presentation and liaison with the Contract Review Board.

25X1

7 Referrals by the Director of Logistics. Primary procurement responsibility for the procurement requirements of each Directorate resides in those Directorate Contracting Officers specifically authorized to exercise contracting authority by the Director of Logistics in accordance with written delegations. Notwithstanding the primary responsibility of each Directorate Contracting Officer, however, the Director of Logistics may, on the recommendation of the Contract Review Board, transfer procurement responsibility between contracting officers in specific cases when the best interests of the Agency would be served thereby. The Contract Review Board will in every such case carefully consider the following factors prior to recommending such action:

- a. The Procurement Division, Office of Logistics, is charged with the responsibility for the procurement of all Agency-required production and supply type equipment and supplies including first follow-on production. The Procurement Division, Office of Logistics, will therefore normally undertake such procurements except as noted in paragraph 1 b.
- b. The Procurement Division, Office of Logistics, is charged with primary responsibility for service contracts for maintenance, repair, modification and spare parts for all Agency equipment common to the use of two or more Directorates or major offices thereof.

including associated field engineering and techrep services.

- c. The contracting team concept contemplates that contracting officer, technical officer, security officer and auditor will be so integrated into the technical Directorate as to best serve Directorate requirements. The Directorate Contracting Team will, therefore, automatically support the requirements of the Directorate except for those classes of procurement actions described in this delegation or when special circumstances justify alternate courses of action. Such circumstances might include:

- (1) Unusual security requirements which dictate that only one contracting officer represent the Agency for all Directorates in a given case.
- (2) Unusual business circumstances suggesting that the Directorate Contracting Officer having the predominant interest in a particular contractor should represent one or more Directorates in the contracting effort under consideration.
- (3) A joint procurement funded by two or more Directorates but technically monitored by one Directorate.

8. Referrals by Directorate Contracting Officer. When circumstances exist which dictate that a particular procurement
